

Student Affairs Assessment Team
Meeting Minutes, 10/03/2017

Present: Ed Valovage, Janet Rarig, Jason Jeremiah, George Kinzel, Kristi Hammaker, Jen White, Jen Turnbough, Margarete Hahn, Beth Brennan

Kristi Hammaker is replacing Sue Melchiorre on the committee. Athletics still has no representative.

Jason Jeremiah presented on the Card Center Student Technicians. His assessment resulted in the development of a staff manual which will be updated regularly. Moving forward, he may do fall and spring assessments to document growth.

Margarete Hahn presented on the Husky PAWS Peer Educator Training. She noted that one of the changes needed was a lack of demographics. She also noted the importance of ongoing coaching. It was suggested that students do the test maybe twice a year, as the current pre and post tests occur within the same day.
